

Get to know me!

My full name is Euclides Manuel João. I am a Software Developer, UI/UX Designer, Video Director, Artist, Thinker, and Chess Player. I have a great passion for software development, algorithms, systems design, and art. This passion has driven me to build the front-end of websites, web applications, mobile applications, and backend APIs, contributing to the success of the overall product. Check out some of my works in the [projects](#) section.

When I'm not coding, I enjoy playing chess, hanging out with friends, or making music. If you appreciate good music, visit my YouTube channel [Euclide\\$ GM](#).

I'm open to job opportunities where I can contribute, learn, and grow. If you have an opportunity that matches my skills and experience, feel free to [contact me](#).
